Foreword

This is a book of memories and hopes . . . memories of the past, and hopes for the future. The purpose of such a book, which contains an imperishable record of days which must be gone forever, is to preserve happy memories of events which are also gone but which will live always in the minds of those concerned and in this record.

This book, however, although it is concerned entirely with the past, has its entire purpose in the future, where it will exist for a long time as a tangible link with things long dead. It therefore holds the vital position of a bridge between the past, which is gone, and the future, which is not yet born.

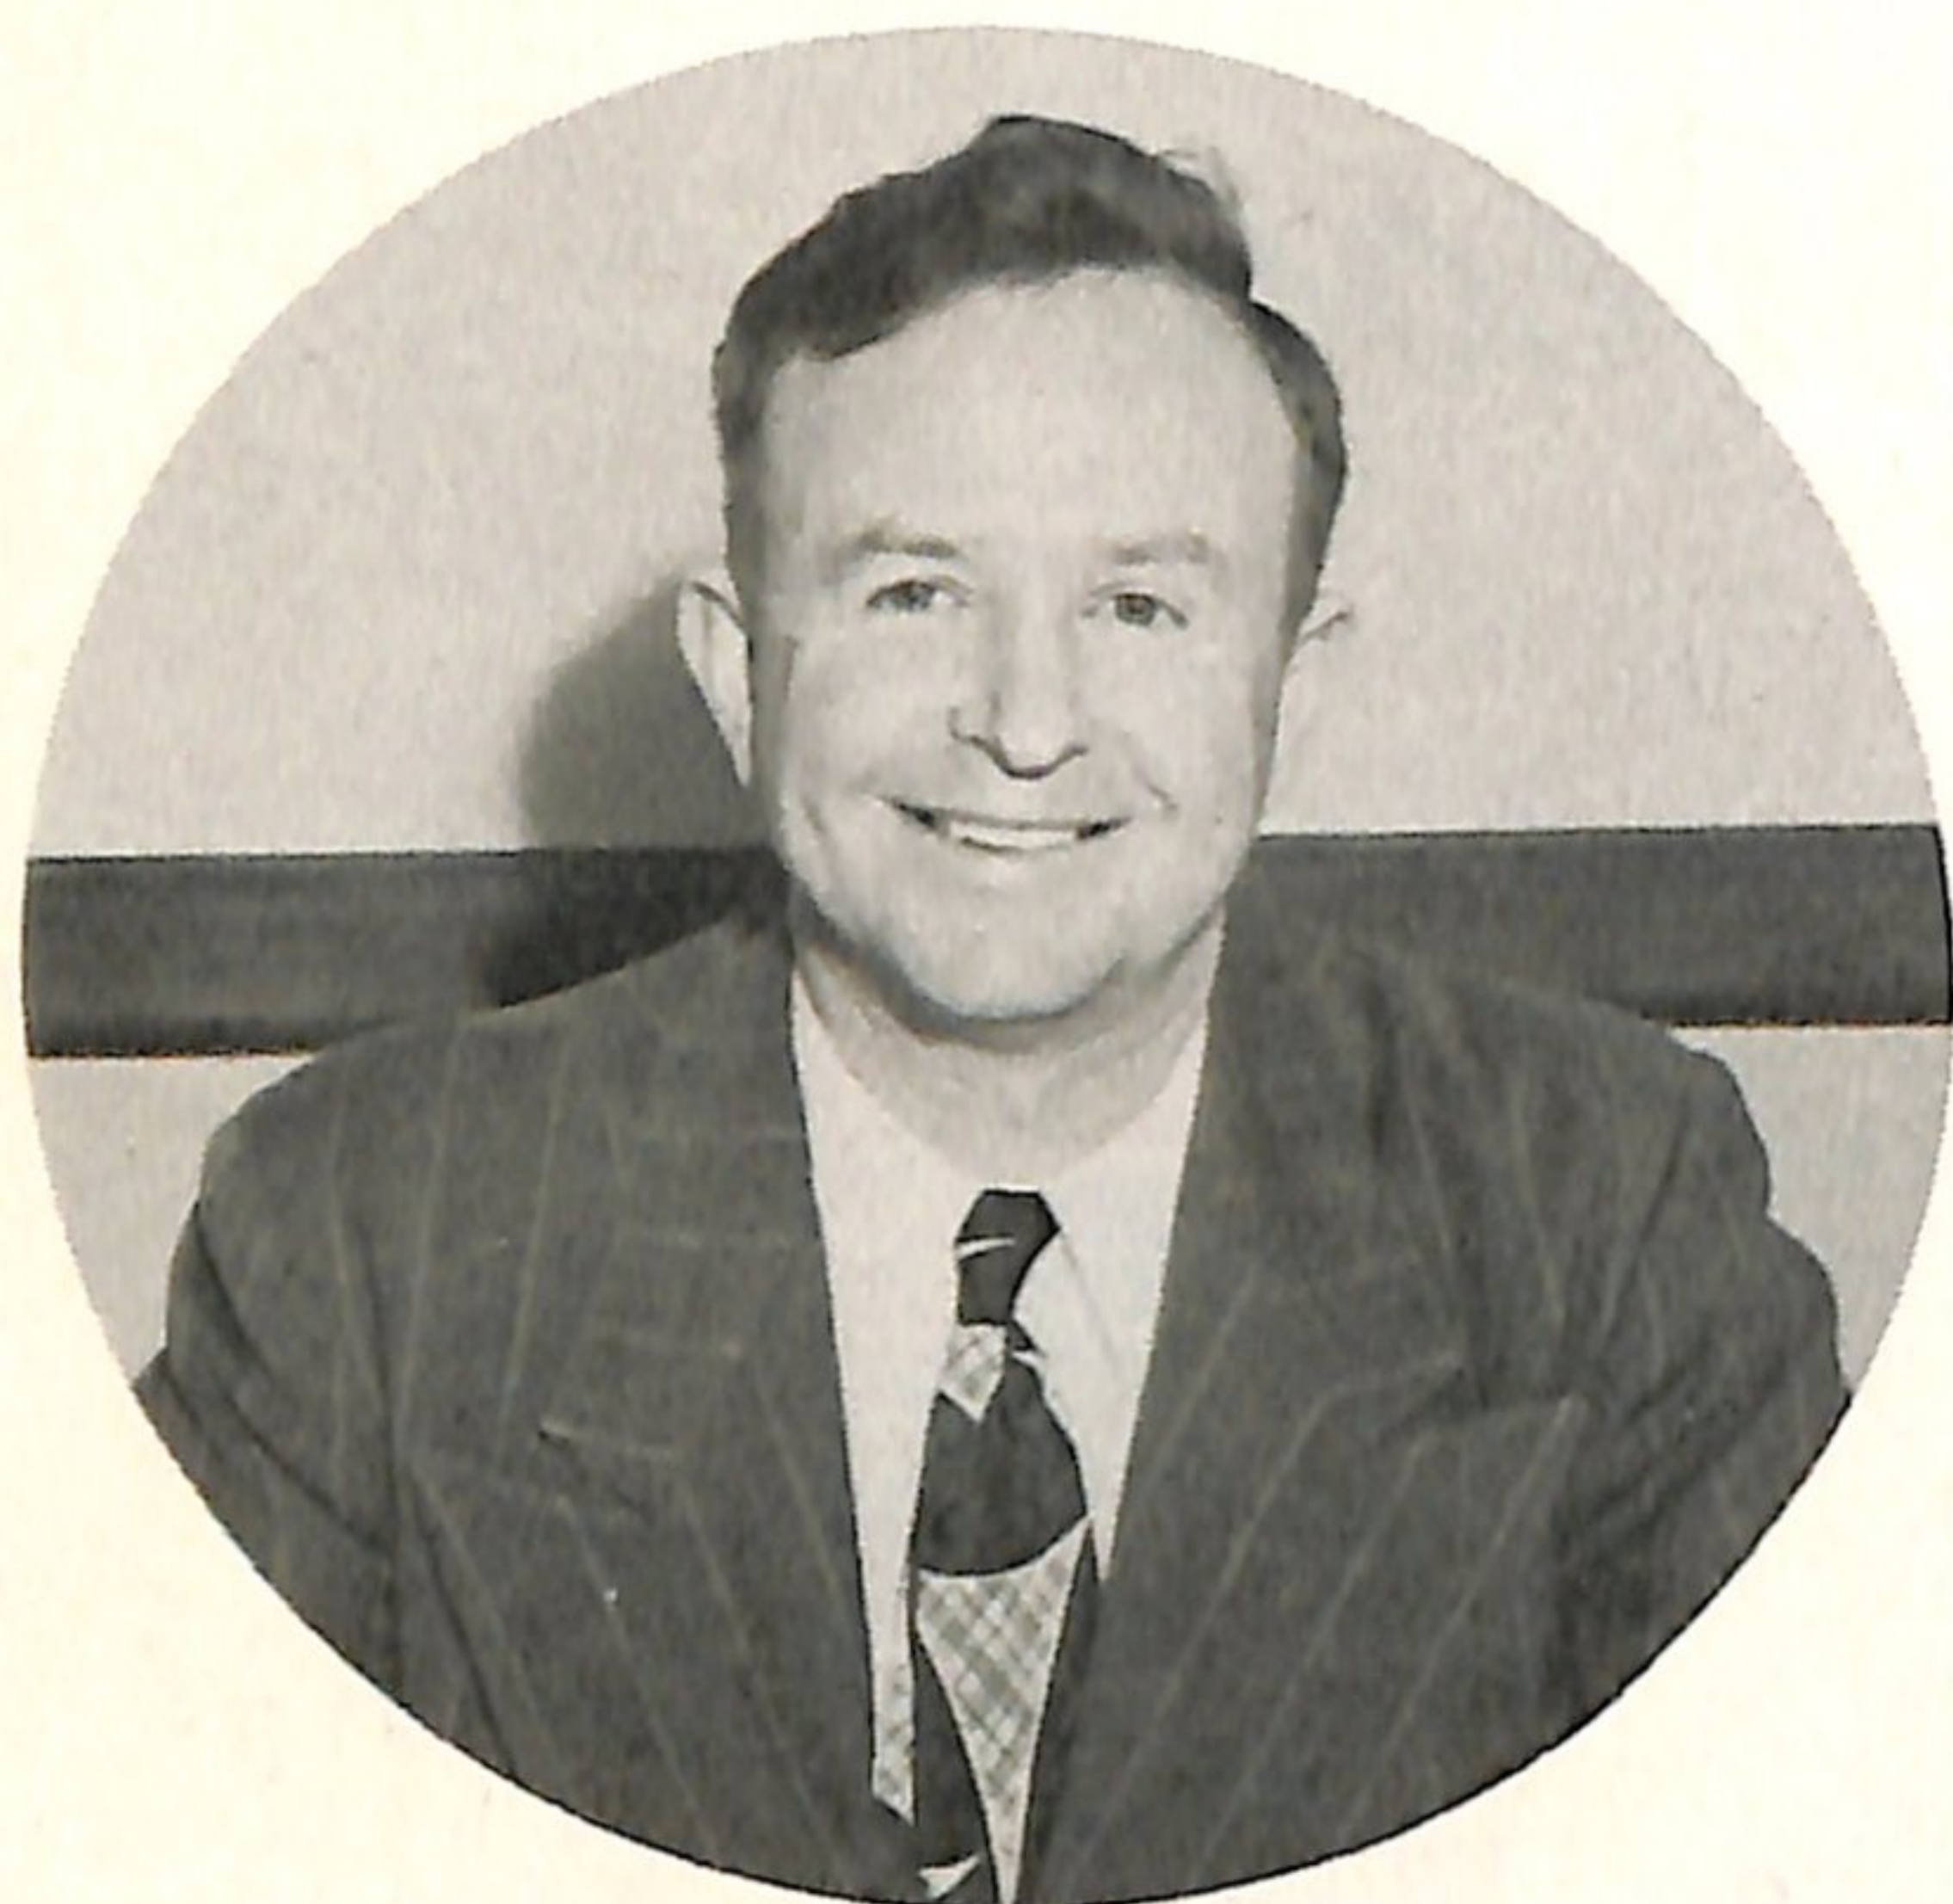

This book welds the past and the future into a reality concrete and at hand . . .

It represents the present.

Administration

Principal's Message

This is the book of memories for the Graduating Class of 1952 portrayed here in picture and word. Enclosed are scenes of life at Armijo Union High School which are happy reminders, I hope, of the foundation each of you has carefully molded during the past four years.

Graduation is often called commencement. The word commencement means beginning. Therefore, you may say that graduation is the beginning of a new life. This time you are better prepared than before, having built a foundation of education and experience at home, in the school, and community. To each of you who are seeking success and happiness, learning will not end with the granting of your

high school diploma. Your mind will continue to grow throughout life in school and in your chosen occupation. With a proper attitude, combined with an open mind, all of life can be education.

When you have reached real maturity in areas of human relationships, tolerance, courtesy, responsibility, worthy ambitions, industry and service to others you will find rich rewards and lasting satisfactions that no amount of money could purchase from you.

The best of personal success and happiness to each of you! A success based upon real values.

Dedication

Mr. Wiser . . . To the former principal of Armijo, who graduated last year along with the senior class to be principal of an institute of higher education; to . . .

Miss Reese . . . who for many years livened the halls of Armijo with her smile; to . . .

Mr. Kidder . . . who for 25 years has given his services to Armijo as janitor,

We dedicate this yearbook.

This page is dedicated to the teachers and faculty members of Armijo, who have fulfilled the vital function, in the last year, of educating and supervising the student body. We are truly grateful to these people, who have dedicated their lives to ours; they have prepared us for college and the business world, and at the same time they have been friends, thus teaching us what is perhaps the most important knowledge of all: that of people.

Student Council

The student government this year had two occurrences which are very rare in the history of Armijo . . . the president was re-elected for another term, and the vice-president was a girl. Two such events happening together make this a unique year in Armijo politics.

For these people are politicians. However, while they have things in common with the larger brass, such as vote-seeking and power, they definitely do not practice crooked politics or graft.

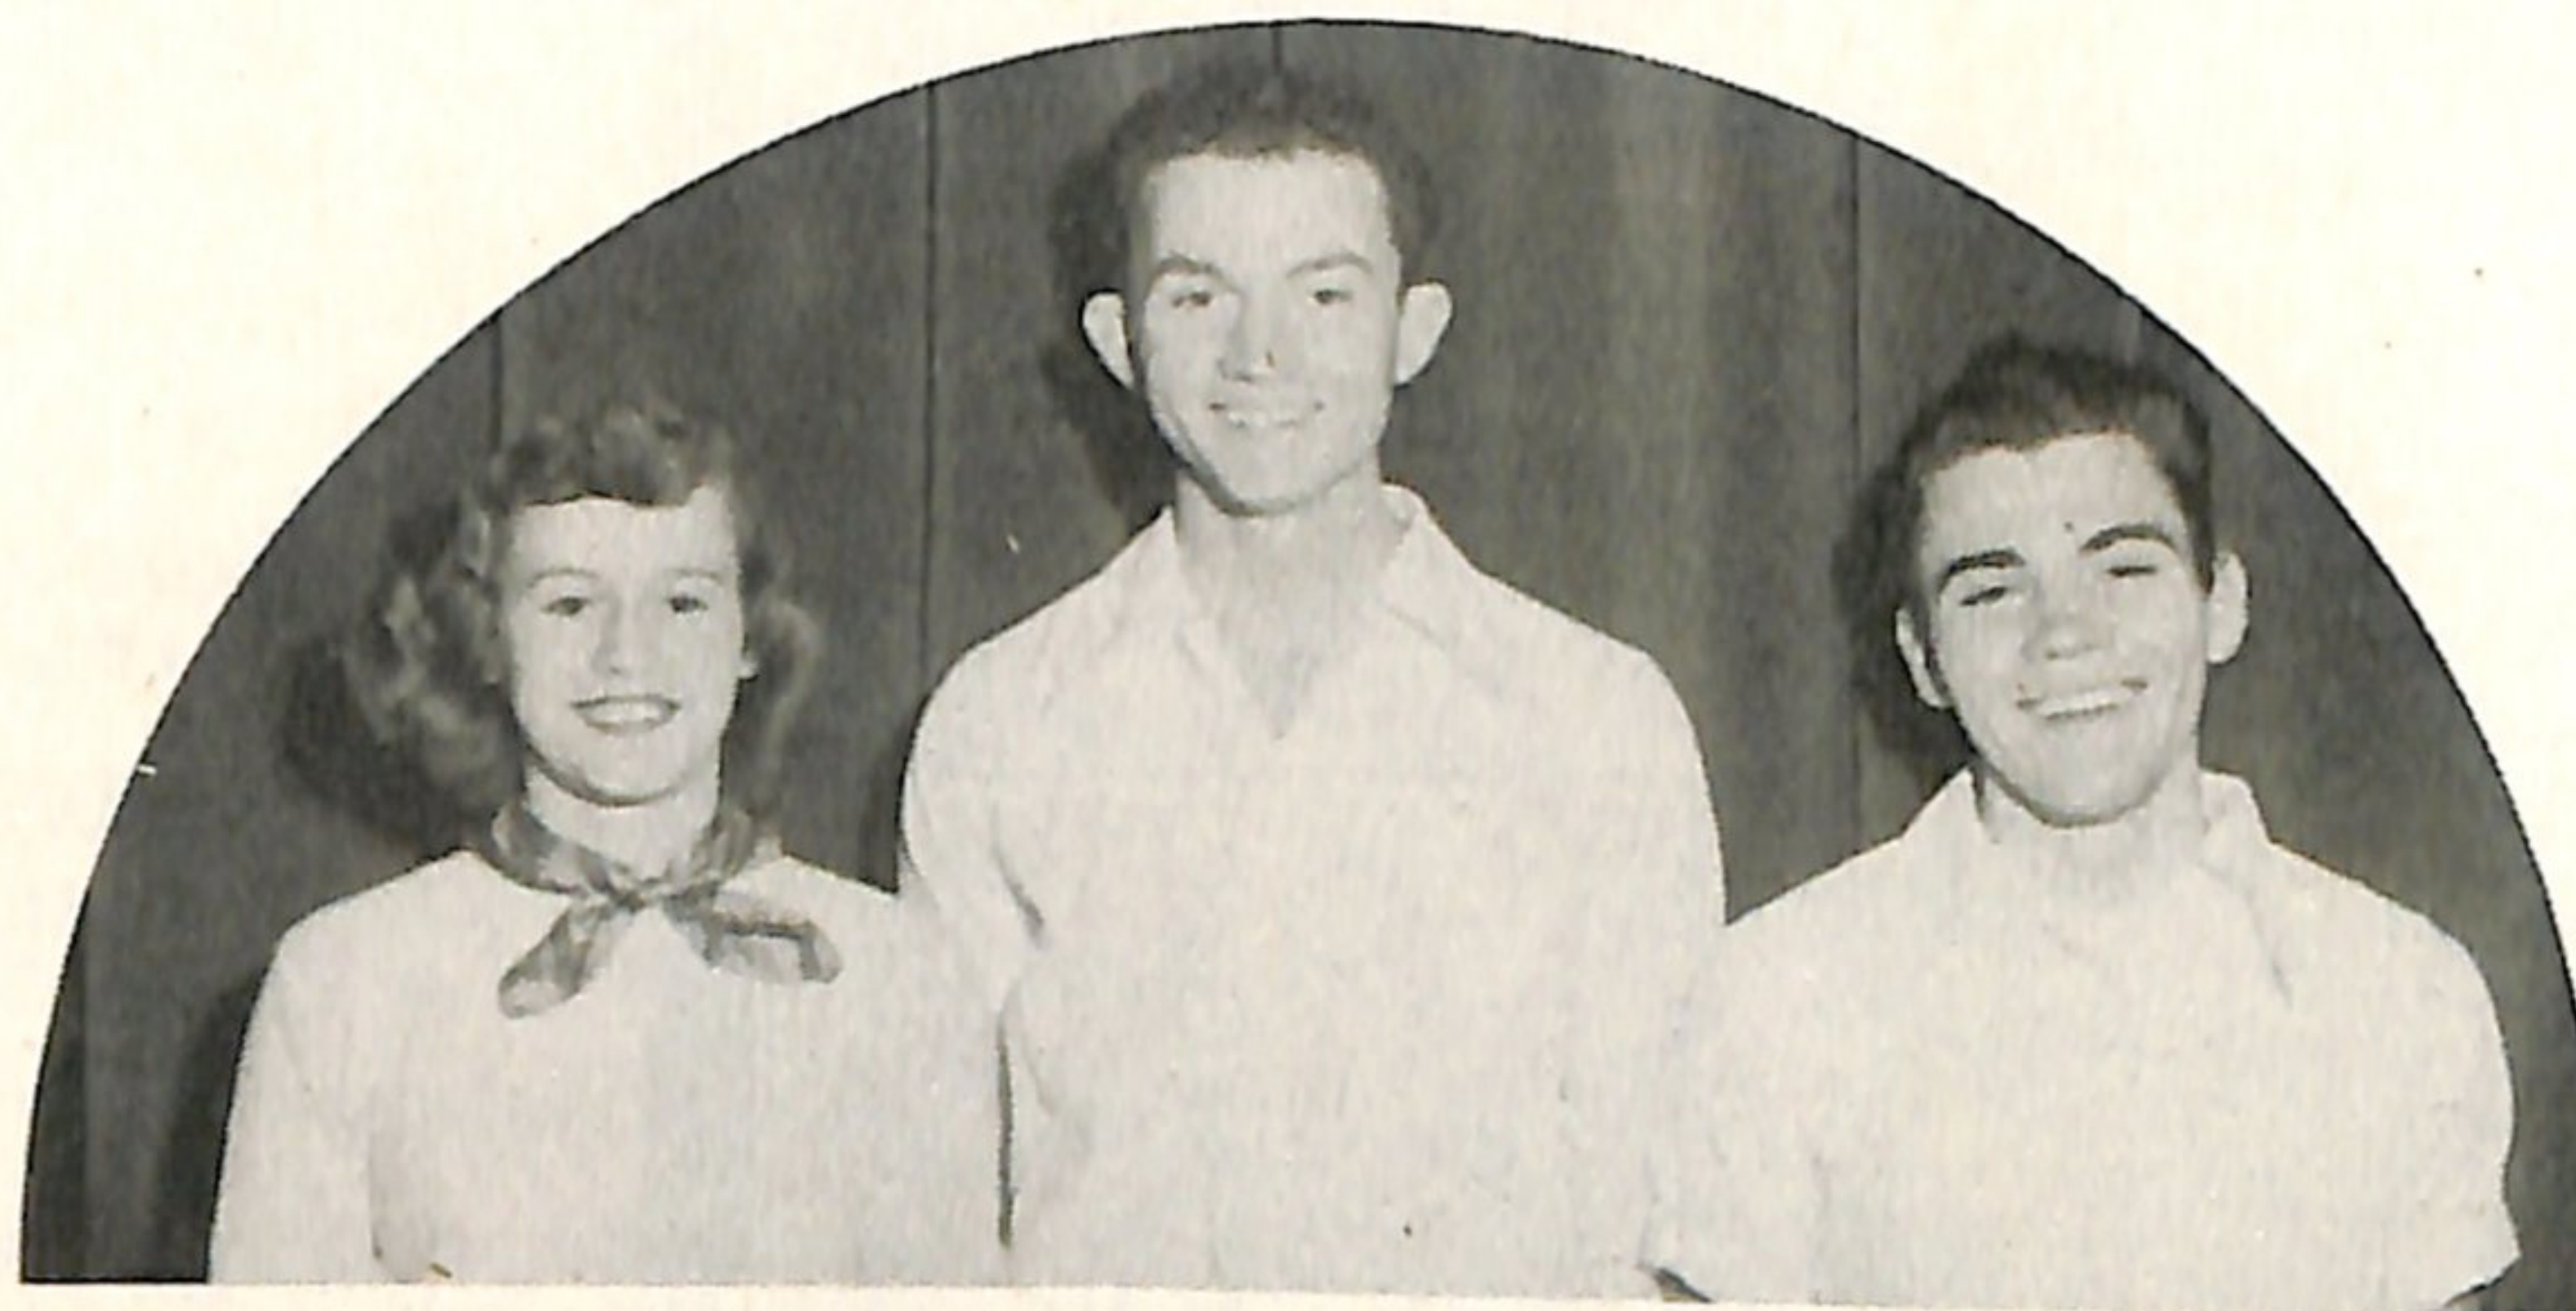

There is no opportunity to.

When the present senior class entered into Armijo in those dim-but-not-forgotten days of 1948, the four future years of school seemed remote indeed. Now, however, they seem to have been so short as to be almost non-existent.

Our class, however, has not wasted its fling at high school life. Those four short years have been filled as completely as possible with activities, in school and out, so that they will remain in memory as eventful times indeed. In our freshman year we were tasting the new-found flavors of high school life, with something interesting to be discovered each day; in the sophomore year we had warmed up to the life, and were becoming more "sophisticated". Then, when we became juniors we were truly upperclassmen; we were "Big Wheels" at last.

But the final achievement of these school days truly occurred in our senior year. In addition to our other qualities, we had gained one which is perhaps the most intangible of all, and yet the most important. We gained maturity.

Armijo Student

Armijo can be compared to a city in many respects. It has a governing council, businessmen, actors, civic leaders, writers, and, of course, ordinary, everyday citizens. Also, like most other communities, it has a newspaper. This is the staff of our local gossip sheet.

The California Scholarship Federation is composed of students who have done outstanding work in scholastic activities. The requirements for membership are a grade point average of 2.8 out of a possible 3.0; the club has as its major extracurricular activity an annual trip to a California college. This fulfills the club's function, which is to prepare students for institutions of higher education.

The members temper their intellectual pursuits with active participation in athletics and many extracurricular activities, such as dramatics, rallies, and membership in most other school clubs.

Boasting one of the most powerful teams in the school's history the Armijo football squad chalked up their first victory of the 1951 grid campaign by rolling over the Davis High Blue Devils, 31 to 0. The next game saw the Indians go down in defeat as little Esparto High took a hard fought 21 to 12 outing. After losing another 19 to 13, to John Swett of Crockett, the Armijo eleven wound up her final practice session in preparation for the league by scalping the Livermore Cowboys 18 to 7.

This year the football team of Armijo High won their first S.C.A.L. Championship since tying it in 1946. It was the Indian's first undisputed title since 1937. Armijo opened league play with a home encounter on October 19 by trouncing the Rio Vista Rams 41-0. In the following game the Indians faced Benicia High on the Panther field and came out on the long end of a 19-6 count. The league final found the Purple and Gold team dusting off the Vacaville Bulldogs 57-6; the game being played on the Armijo turf.

Indian grid stars chosen on the Official All-County team were halfbacks Bob Bergman and Lyle Cullum, the so-called "touchdown twins." Each scoring 9 and 10 TD's respectively in 6 games. Linemen were Bob Oliver, 6' 2", 220-pound tackle and Harold Trivitt, 5' 8½", 175-pound guard. Oliver and Cullum were later selected to the second team of the All Inland Empire section of Northern California. An injury jinx seemed to prevail this season as Jim Harper, who was all set to burn up the league at fullback, was injured in the first league outing. Jim was chosen "Honorary Captain" for the remaining games of the season.

Head football mentor Eddie Hopkins and Assistant Don Alldredge handled the Purple and Gold coaching duties, which proved to be a vital element in the success of the Indian team. They were aided by alumni Ernie Moretti and Frank Perez, along with Coach Jim Davis of the Fairfield Elementary School.

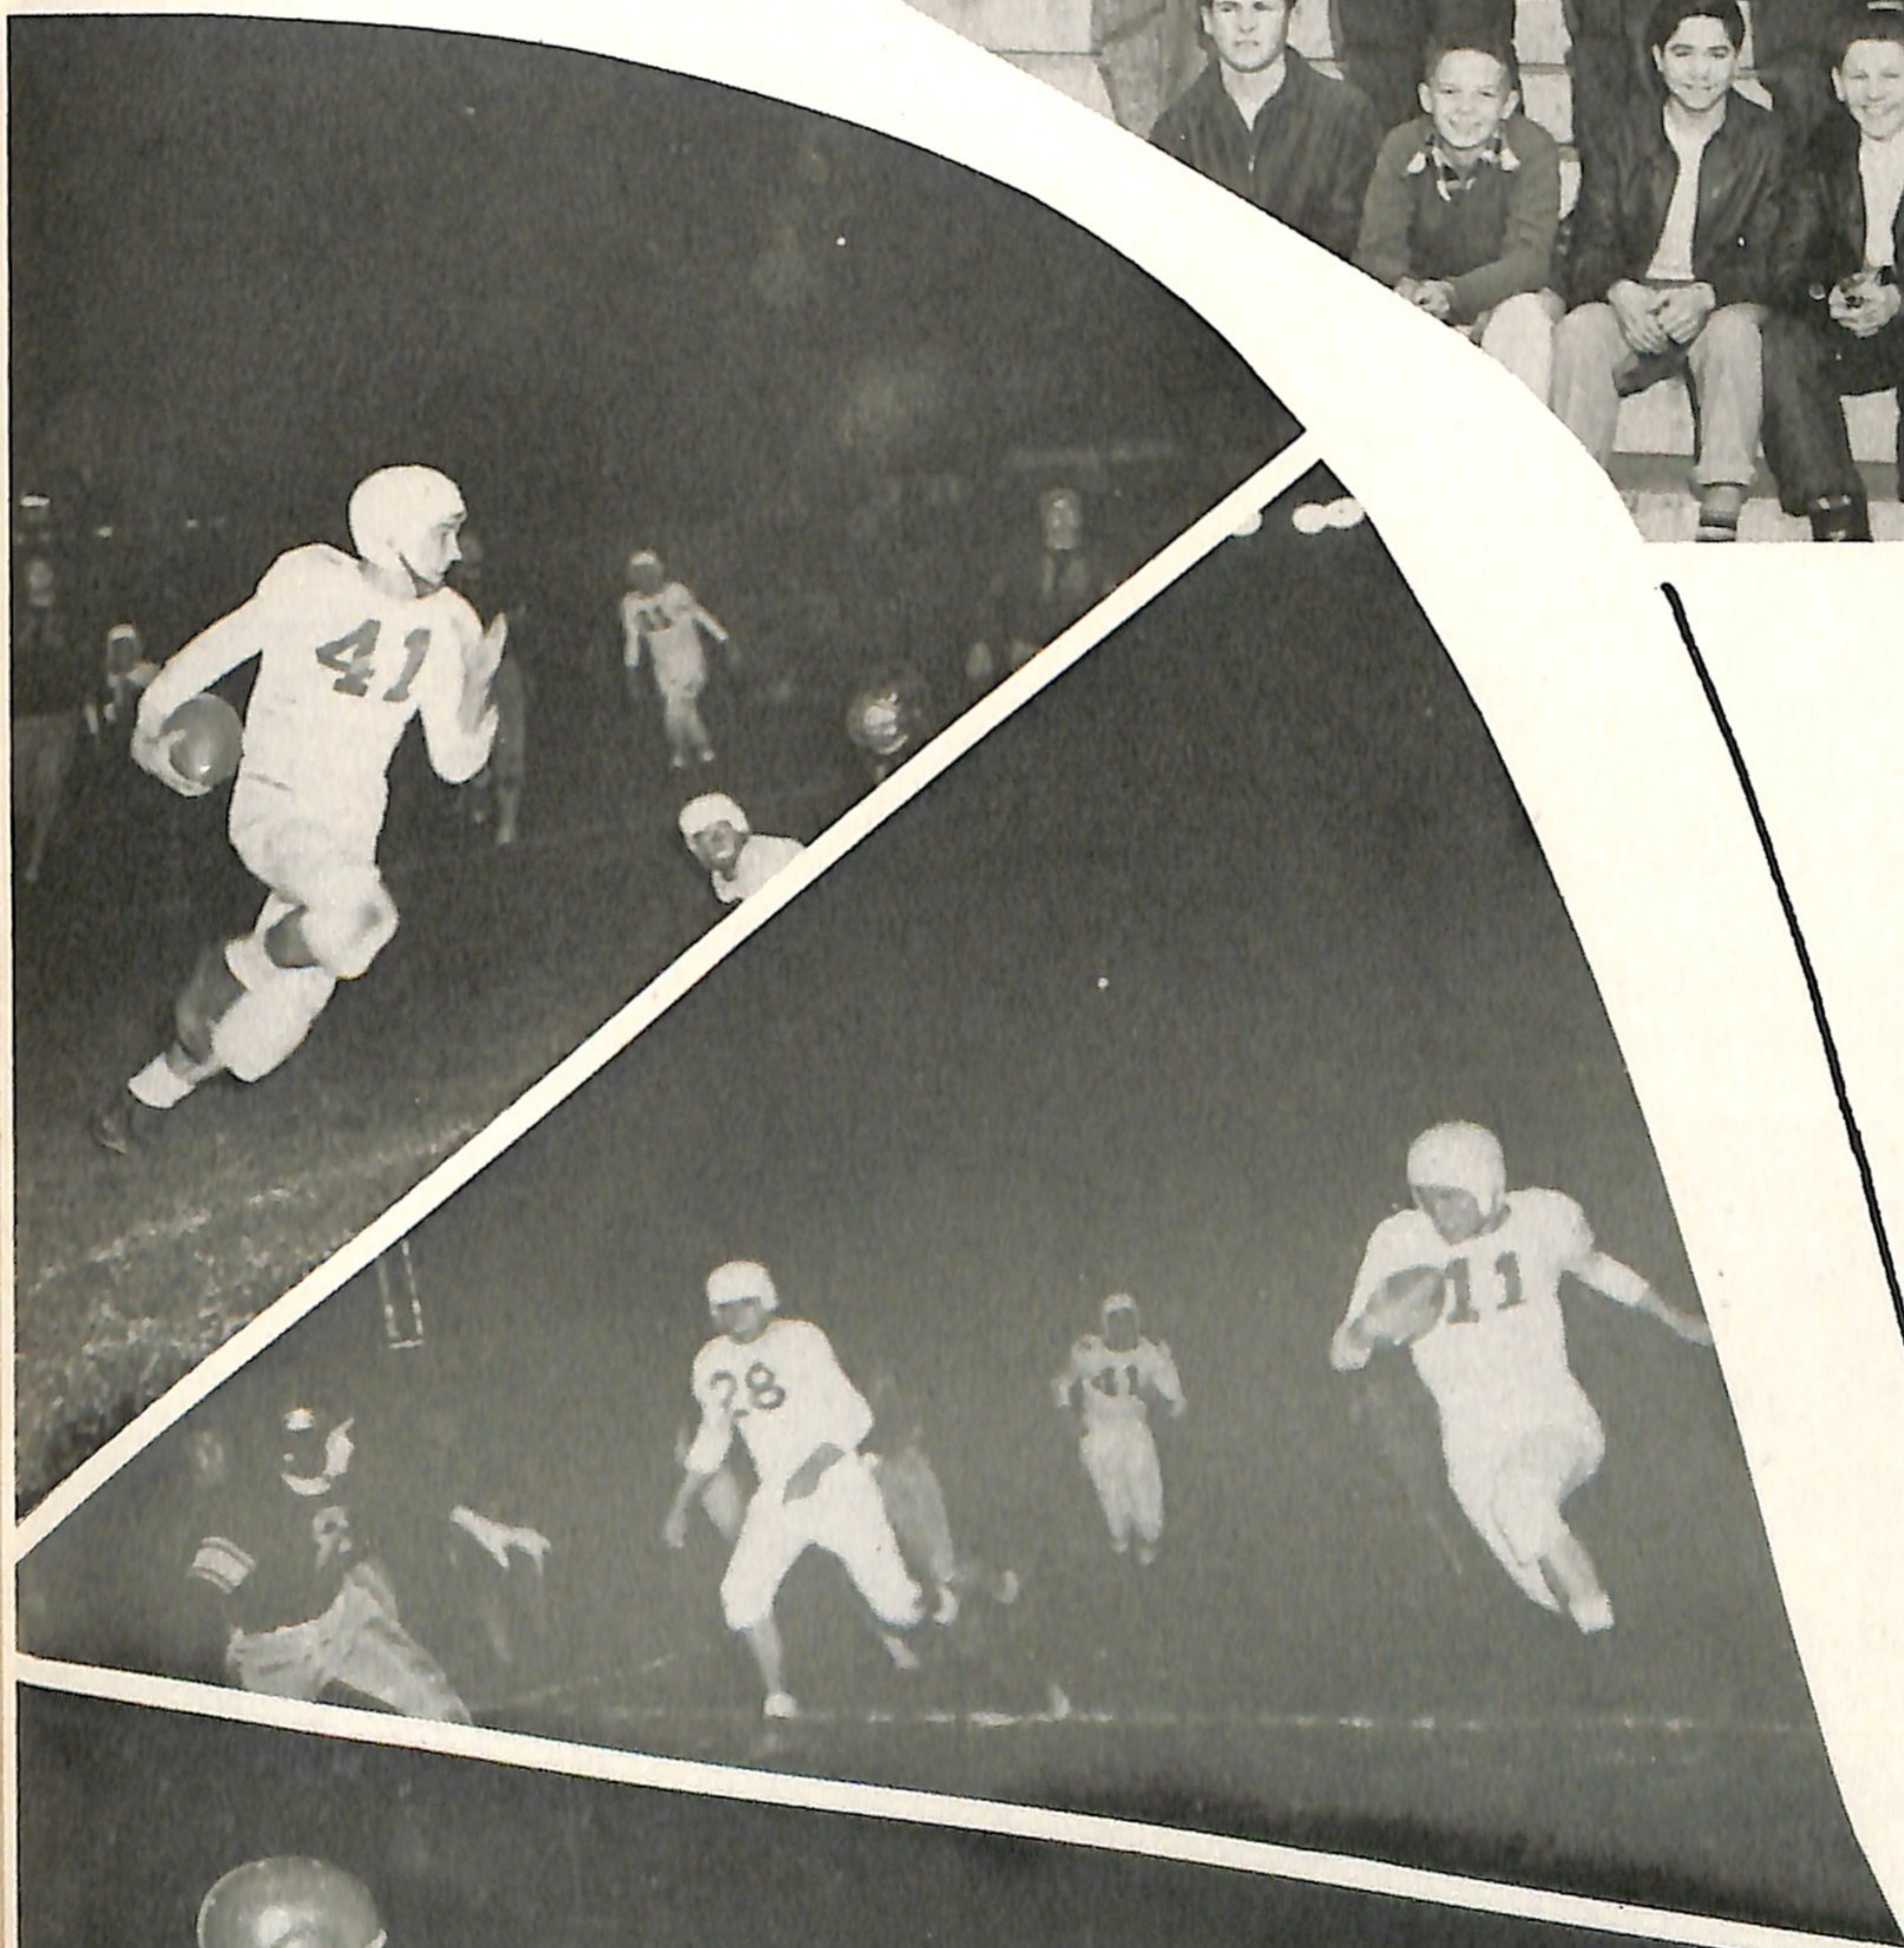

The graduating seniors are, Bob Bergman, Bill Bledsoe, Lyle Cullum, David Davis, Jim Harper, Bob Lockfeer, David Marianno, Bob Oliver, and Herb Ratcliffe.

Varsity

The Indians were a smooth working bunch this season and they gained invaluable experience by matching such large schools as Vallejo, Petaluma, Napa (N.B.L. champs), San Rafael, and Sacramento.

They were led by sharp-shooting Mike Diaz, the leading prep scorer in All Northern California with 537 points in 23 games; Lyle Cullum, excellent rebounder, defensive man, and play-maker; Homer Keefer, good passer who really kept the ball humming; Gary Tonnesen, second leading scorer with 219 points; and Bob Bergman, a hustling team-player.

Back row, left to right: D. Davis, C. Cullum, M. Diaz, G. Tonnesen, B. Oliver.

Kneeling: T. Smith, J. Harper, R. Robinson, E. Serpas, H. Lippreau, H. Keefer, B. Bergman.

Basketball

Coach "Ed" Hopkins' varsity cagers enjoyed a rather excellent season this year as they copped the S.C.A.L. pennant for the first time since 1948.

The Indians started off league play by measuring the Rio Vista Rams 55-49. They then walloped Vacaville 74-49. Using the same tactics they blasted the Benicia Panthers 82-25; a new league scoring mark. Playing on the Vacaville hardwood, the Armijo five won out again over the Bulldogs by an almost identical score, 75-48. A "red hot" Rio Vista outfit then handed Armijo its first home court defeat all year as they eked out a 64-60 victory to tie the Indians for the league lead. Winding up their 1951-52 season, the rampaging Indians romped over Benicia 73-42. That same night the "under-dog" Bulldogs from Vacaville upset Rio Vista. Thus, giving Armijo the Title.

Seniors who wore the Purple and Gold colors for the last time of their High School Basketball career were: Lyle Cullum, Ted Smith, Bob Oliver, Bob Bergman, David Davis, and Jim Harper.

CAPTAIN BILL STUBBS

The Armijo "B" team, also under the supervision of Coach Eddie Hopkins, had a fairly good season, winning 9 games and losing 10. In Conference play the "B's" had a 3-3 record and captured second place honors behind Co-Champs Benicia and Rio Vista.

The team was made up of almost all Sophomores; sporting no Juniors and but one Senior and Freshman. The starting five consisted of Jerry Leewright and Eddie Diaz, forwards; Eddie Reeves, center; Bill Stubbs and Jim Cupp, guards. Capable reserves giving needed assistance were Ken Hayes, Stanley Scrivner, Jack Yarborough, and Al Vargas.

Back row: B. Stubbs, J. Cupp, E. Diaz, E. Reeves, J. Leewright.

Kneeling: B. Bergman, A. Vargas, J. Yarborough, K. Hayes, S. Scrivner.

C. and D.

For the first time in four seasons, the "D" team met defeat. Due to injury they were not able to field a full team and forfeited half of their games.

Champions of last year, the "C" team also met with a bad year winning only five of eleven games.

Due to the early printing of the La Mezcla, the results of the 1952 track season were not available, but there were indications that the Indians thin-clads would present plenty of competition in the Unlimited, Class B, and Class C divisions of the S.C.A.L. Last year the Armijo cindermen wound up in second place in the A and B classes, while the C's finished in a tie for last place.

Usually faced with lack of track material, Coach Don Alldredge can only hope for the best this year, as he enters his second year as track mentor here at Armijo.

Lettermen expected to return to the cinderoval are as follows: Jim Harper, Lyle Cullum, LaVerne Wilson, Carl Pullen, Alex Marquez, Duane Cain, Ken Hayes, George Cardoza, Bill Stubbs, Bob Bergman, Bryan McCord, Leroy Kemper, Ray Robinson, Ronald DeBoyce, Bob Funez, Jim Wong, Stanley Scrivner, and Eddie Reeves.

Armijo's baseball team, although playing a very good defensive game last year, had an unsuccessful season due to its lack of hitting power. This year however, with numerous returning lettermen and many new able prospects, the Indians should be a very powerful contender for the 1952 S.C.A.L. pennant.

This season the mound staff is headed by southpaw Richard Minakata. Frank Marianno will handle the receiving end. The infield prospects are: Sam Sorenson, first base; Tad Kawamoto; second base, Eiji Matsuno, third base, and Bob Eaton; shortstop. The outfield prospects are Bill Bledsoe, Ed Serpas, and Carl Pullen. Harold Trivitt and Bob Bergman will also help out in the outfield.

Second row: W. Little.

Although its games are not attended to a great extent by the fans, the Armijo "B" team is a valuable training ground for the varsity teams. Led by Coach Pangburn, the "B" team has sent many players who made good on the varsity squad. Half of the members on the present varsity squad were at one time members of the "B" team. The "B" team, however, doesn't play in an organized league. They have with the reserves of the varsity's opponents whenever possible. Last year's "B" team fared better than their bigger brothers winning half of their games.

Champions for the last six years, the Armijo netsmen will have their work cut out for them this year. Having lost most of their first string by the graduation route last year, the team as a whole has little experience.

The girls stand out as a team better than the boys. All candidates have experience and are locked in an all-out battle for the four positions.

The boys, on the other hand, have only two boys who are seasoned veterans: Southpaw Bob Sciacqua, who has been on three championship teams and Ted Smith, 6 foot-3 inch, who transferred from Riverside . . . Outstanding First-year men are Eiji Matsuno and Ted Kawamoto.

La Mezcla Staff

With the last bit of copy typed, and the last picture put into the book, we can truly see how much fun it was to put this La Mezcla together. We want to say that we are indebted to many people for the great help they have given us to make the La Mezcla as good as possible; first, to Mr. Janetsky, for his counsel and aid; to Miss Davis, for correcting our sickening English; to Mr. Draper and his Senior Business Class, for doing an invaluable job of making the yearbook pay; to all our teachers, for being tolerant enough to let us out of class many times on official business; to Roberta Tim, for her wonderful artwork, and finally to you, the students, for buying your copies and for contributing to the photo contest. It has been a wonderful experience, and the hard work, great fun all the while. Thanks for your attention.

Advertisements

Here is something new in Armijo yearbook history! For the first time, we are using advertisements to help pay for the cost of publishing. But be sure you do not skip this section; the photographs all contain students of Armijo patronizing the shops.

We hope our first experiment at advertising is a painless and even a valuable addition to the LA MEZCLA.
